Train Magic Adventure *on the Reno Fun Train*

January 26-28, 2007 (Friday – Sunday)

This unique adventure finds us dancing and partying our way through the Sierra Nevada mountains on the famous privately chartered “*Reno Fun Train*”, along with 2 hotel nights at the Eldorado in Reno, for a full weekend of fun. On the train you can dance to live music in the dance car, listen to music in the Piano Lounge Car, or simply relax and enjoy the spectacular winter scenery and train ride. Ice and glasses are furnished aboard the train and two meals are served at your reserved seat. You may bring your own snacks, food, and beverages or you can purchase items in the Cafe/Bar of the Great Dome Car. In Reno you will have two nights to do as you wish. We'll gather one night and dance (west coast swing+) at a local spot. On the ride home you can sit back and relax or dance and party some more. *Not just for dancers ... All are welcome (21 yrs and over)*

The days are yours to go ashore and explore the ports of call or simply remain on board and enjoy the ship. A variety of dance classes (wcs, nc2, latin, etc) and special functions are presented for our group. Pre-dinner dancing and after-dinner dancing are also available. You can choose to see a variety of shows, relax in a lounge, stroll on the deck, see a movie or enjoy any of the many options the ship has to offer. *Sea Magic is not just for dancers ... on a cruise there's something for everyone. All are welcome and encouraged to join the fun!*

Please let me know if you would like a flyer package on these events. Hope you can join us!
