

## REFER-A-FRIEND

[Search](#) | [Share](#) | [Brochure](#)

Refer others and reap the rewards! \$25 for YOU  
+ \$25 for THEM!

### HOW IT WORKS

- Simply be a past guest of Princess Cruises®.
- Invite a friend who has never sailed or booked with Princess® before.
- You both get a \$25 reward for each successful referral.
- The best part is you can accrue as many rewards as you have friends to refer!

## Details

Both you and the person you refer will receive a \$25 onboard spending credit each when referred person sails on any Princess cruise **within 24 months of activation**. You may use your onboard spending credit on any voyage within 24 months after the referred person has sailed on his/her first cruise with Princess **or you may use your credit during the referred person's first cruise if you are sailing on the same voyage**. Referral Rewards are onboard spending credits applied to the stateroom account at time of booking and will become active upon the completion of the referred guest's first cruise. You may refer as many people as you wish and receive onboard spending credits for each. These credits can be accrued in your account on an unlimited basis and used on any future cruise at **up to 5 onboard spending credits (\$125 per person/\$250 per stateroom) per cruise**. We're unable to accept any referrals for past or current Princess customers, so be sure you only refer those who haven't booked with Princess, haven't completed the referral process in the past or have not requested to be removed from Princess Cruises email communications. **Offer is applicable to two guests per booking only** and is not combinable with Friends & Family, travel industry partner or Interline rates.

Earn a maximum of one \$25 onboard spending credit per successful referral. **A maximum of two \$25 onboard spending credits may be activated per referral booking**. In other words, if you refer 4 people who sail in the same stateroom, only 2 will qualify to activate your reward. The other 2 must sail again or in their own stateroom to activate your reward. **Anyone under 21 years old, travel industry partners, immediate family members of travel industry partners, and employees of Princess (including Carnival Corporation) are not eligible to refer or be referred under this program.**
