Celebrating our 15th Year
SWING JOINS COUNTRY - recap
Sunday, March 12, 2006

As we celebrated the *15th year* of Swing Joins Country Dance this past Sunday, it was another resounding success and packed the house with close to 200 people in attendance. The workshops were great and the evening dance was amazing. The energy was fantastic and it was exciting to see so many faces from the past as well as a host of new dancers. Many thanks to **ALL** who attended including our out-of-town guest, Arte Phillips, and several Pros taking time out of their schedule to be there making this one of our best Swing Joins Country Events ever.

In place of the Jack & Jill Team Match this year we presented a little Show. A special thank you to Arjay Centeno & Melissa Rutz, Chris & Becky Haynam, and Jason Wayne & Yvonne Benavidez for performing some wonderful dances in the show. You did a marvelous job!

Also, I would like to thank my hard working team that makes the day happen and run smoothly: Robert K, Linda R, Jill L, Bob F, Carolyn J, Jaime D, Tony S and several others that helped with all the preparations.

Please visit my web site for future dance dates, classes, workshops, instructional videos, and special events - including our 2006 Caribbean Dance Cruise and our Mountain Magic Dance Convention in Lake Tahoe.

I look forward to seeing you on the dance floor!

Michelle
